Time

25 to 30 minutes

Grades

K to 2

What Children Will Do

Children color a heart for each thing they love to do, match it to a job that does that, and draw a job they would love.

Before You Start

- Print one page per student. The educator page is for you only. Have crayons or colored pencils ready.
- Say each thing and job aloud before children start.

Read Aloud

"People who love their work often choose a job that fits what they like to do. What do you love to do? Color a heart for each thing you love. Then draw a line to a job that does that."

How to Run It

1. (3 to 4 min) Read the sentences aloud. Name each picture together.
2. (8 to 12 min) Children color a heart next to each thing they love, then draw a line to a job.
3. (8 to 12 min) Children draw a job they would love and finish the sentence, "I would love to be a ____ because ____." Write the words for children who are not ready to.
4. (3 to 4 min) Invite children to share.

Answer Key

Taking care of people: Nurse. Taking care of animals: Dog Groomer. Making things: Carpenter. Being outside: Park Ranger. Teaching others: Teacher.

Talk Together

- What job could you do with something you love?
- What is one kind thing a worker did for someone?

Go Further

- Interview a grown-up: "What do you love about your work?"
- Children may love more than one thing. That is fine.
